Attendance and Participation

Students are expected to attend all regularly scheduled classes and come prepared to participate fully in class activities. Students are further expected to be on time for all classes. Arriving late for class or an activity is disrespectful of both the instructor and fellow students.

Overview of Attendance Policy

In courses that meet once a week, students are permitted one unexcused absence; in courses that meet twice a week students are permitted two unexcused absences; in courses that meet three or more times a week students are permitted three unexcused absences. If a student has more than the permitted number of unexcused absences his/her grade for the course will be lowered by one "mark" for each additional unexcused absence.

In other words,

- in a course that meets once a week only one unexcused absence is allowed. After two unexcused absences an A becomes an A-; after three an A becomes a B+; after four an A becomes a B, etc.
- in a course that meets twice a week, only two unexcused absences are allowed. After three unexcused absences an A becomes an A-; after four an A becomes a B+; after five an A becomes a B, etc.
- in courses that meet three or more times a week, only three unexcused absences are allowed. After four unexcused absences an A becomes an A-; after five an A becomes a B+; after six an A becomes a B, etc.

An unexcused absence is one not caused by illness or otherwise not approved by Dragons staff. An excused absence means written approval from the Dragons staff justifying the absence. Arriving late to class may also count towards an absence. The Student may not make up quizzes, exams, or other assignments which he/she misses as a result of unexcused absences. The Student may not arrange for or take quizzes or exams, or turn in other assignments, at a time or on a date other than the regularlyscheduled time and date.

The participation grade will depend on both the quality and the quantity of student's comments and questions and shall account for a portion of the total course grade.

Summary of Attendance Policy

- 1. Three occurrences of tardiness are equivalent to one unexcused absence; each subsequent instance of tardiness is considered an additional unexcused absence.
- 2. Students are expected to do the required reading before class, volunteer for presentations and participate actively in class discussions.

- 3. Excused absences are determined by the lead Dragons staff member; in some instances a doctor's certification may be required.
- 4. Deadlines must be respected, even in cases of excused absences.
- 5. Students are responsible for getting homework assignments they miss and submitting them in a timely manner. Assignments turned in after the due date will result in a penalty to be determined by the instructor.
- 6. Any assignments not submitted will result in that assignment being given a grade of 0 (zero).
- 7. The Attendance Policy is applied until the last day of the program.
