In a separate document, please provide any further information about your financial circumstances which will support your scholarship application. For example, there are often financial situations which are not taken into account in typical financial aid assessments such as family, medical, or enrollment issues. Use your Personal Statement to detail any further information that will help Dragons understand your financial need.

In addition, in your statement please provide a description of how a Dragons College Scholarship will support your academic and personal goals. Our College Scholarships are awarded based primarily on financial need and we are also looking for applicants who are curious, driven, and ready to engage with communities around the world. Feel free to provide us with further information about how a Dragons program could help you further cultivate self-awareness, global citizenship, and leadership skills as well as how a Dragons College Scholarship will support your academic and/or personal goals.

Finally, indicate the amount of money that you can contribute towards the cost of your program and please be precise. This will help us understand the overall picture of your financial need. Note that it is very rare for Dragons to offer a scholarship that covers the full cost of a program.

Supplemental Scholarship Application Materials
