

COURSEWORK REGISTRATION FORM

Where There Be Dragons is proud to work in partnership with **Portland State University** in order to offer our students an option to earn college credit. As we offer the credit as an option, the fee for courses is not included in the semester tuition cost. The fee for the coursework is \$1,800, payable to *Where There Be Dragons*, and enables each student to complete up to 20-credits during their semester (the fee is the same whether you complete 2-credits or 20-credits). Upon successful completion of coursework, students will receive an official transcript from PSU with letter grades (unless specified otherwise on the course syllabus). **Please ensure that you have read and understand all course requirements.**
